

SUNDAY

FIFTEENTH SUNDAY OF THE YEAR

The Missionary Church

"So they set off to preach repentance." There are many strange contradictions in our world today. One of them is that so many of us have lost a sense of sin and yet the power of evil was never so obvious. Maybe this is a reaction to the past where sin seemed to be in everything. One of the major sins for most of us is in settling for so little when so much is on offer. This happens when a couple settles for mediocrity rather than a sense of adventure in their marriage; when a family settles for coexistence rather than love; when a parish settles for duty rather than building a real faith community. We may not be able to do a lot about the general evil that is in the world. We can do a lot about our own setting of limits and this in turn will affect the world we live in.
